- This week really felt like a European summer week with just a handful of games scheduled (mainly MLS fixtures).
- Performance wise our managers did very well with 4 first place finishes. Unfortunately, they were dealt a bad hand as Sorare awarded incorrectly categorised prizes by error (worst prizes than anticipated) in both Game Weeks. Despite this, a more than respectable 6 ETH of prizes were won.
- Managers 1 and 2 had quieter weeks in the transfer market with no major new signings. The opposite can be said of Manager 3 who actively traded a number of high profile cards in and out including the Unique German and Dortmund defender, Mats Hummels.
- Further improvements were made to our valuation tool. Final formulas are being considered for First Prints, Special Editions, Error Cards and Short Prints, but the main Uniques and Super Rare cards that to date were only attributed a nominal base value are now showing correctly.

The Unique German National team card of Mats Hummels now sits proudly within the BlackPool DAO!

- This first Unique version of Mats Hummels will hopefully prove an invaluable acquisition for Manager 3 when the quest for European Champions prizes resumes in a few weeks.

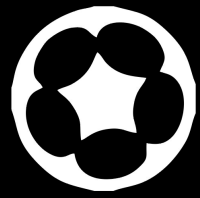

- Hummels has an extensive and growing list of team and personal accolades including:

- | | |
|--------------------------|------------------------------|
| 2014 World Cup - Winner | UEFA Euro U21 - Winner |
| 5x Bundesliga - Winner | 3x DFB Pokal - Winner |
