- Sorare was eerily quiet this week as managers bemoaned the international break and planned ahead for GW 210 when club teams returned to action.
- Tournament wise, with this being the quietest GW of the year with only international matches there was a significantly reduced prize pool. Despite this (as we seem to always say!) our managers were still able to yield over 8.5 ETH of prizes with 9 podiums, an unprecedented 1st, 2nd, 3rd in Global All-Star D1 and some horrific prize cards.
- In the transfer market our managers continued to bank ETH for the upcoming Bundesliga launch.
- With our wheelings and dealings, winnings and recent ETH rally, our Sorare verticals AUM now sits above \$10,000,000 for the first time!
